Rufus & Jenny Triplett

Authors, Speakers, Media Personalities
Husband and Wife team married 25+Years

As Seen On

"Marriage is a Marathon, not a Sprint."

Rufus and Jenny Triplett are "changing the game" in every way possible. Not only are they one of very few professional husband and wife teams who do just about everything together, they have survived 25+ years of marriage being attached at the hip. They are the most media profiled African-American Muslim Couple.

Couple's Highlights:

- ▶ Husband and Wife Team
- ▶ Military Veterans
- ▶ Best Selling Authors
- ▶ Empty Nesters
- ▶ Business Consultants/Mentors
- ▶ Certified in Entrepreneurship

Testimonials

"Rufus & Jenny give great parenting tips. Thanks for being on my show."

– Dr Phil, Dr Phil Show

"You guys were a dream to film"

– Producers @TLC

"You guys are a breath of fresh air"

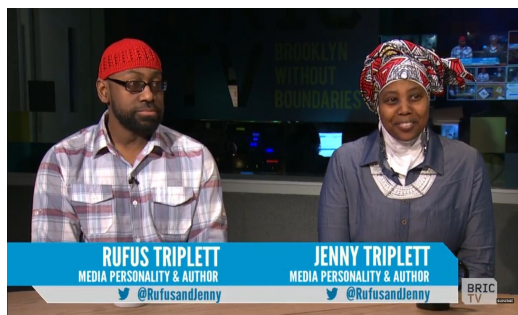

-Tedx Organizers

"Thank you so much for being on the show. More than that, however, I want to thank you for helping me break out of my box. You guys must keep doing all that you're doing to help others. Our paths may cross again one day and if they do I will hug you both. God Bless you both!"

– Kellie Frazier, Author of Love Differently, Stay Married

"Thank you for allowing me to attend your program. It was very enlightening, even though I am not Muslim. I will put the information to good use. Thank you!"

- Kendra Stewart

The Triplett's have established themselves as media personalities. Their appearances on Family Court with Judge Penny and Dr. Phil garnered rave reviews as to their parenting philosophies. 2013 started with requests to appear on Huff Post Live which was well received by the producers and viewers of the show and has earned them the label of "Marriage Experts." Jenny's appearance on The Mike & Juliet Morning show was phenomenal as she gave The Real Housewives of Atlanta a little wisdom. The Triplett's were invited to the Ricki Lake Show as Social Media Influencers co-hosted Twitter chats for The Ricki Lake Show (#friendsofricki) as well as other Twitter chats and was profiled on Mashable as a Social Media Power Couple. The Triplett's appeared in REDBOOK Magazine as "marriage tipsters" for those who married young and are still surviving and provided home ownership tips in a two page feature in Black Enterprise Magazine. The Triplett's also appear as a couple on CNN and HLN shows commenting on current hot topics. Jenny is a featured blogger for the Huffington Post and has provided comments for CNN, NY Magazine, Ebony Magazine, MSN.com, The Huffington Post, The LA Times, Reuters, USA Today, and a host of other magazine and radio shows.

What is Surviving Marriage in the 21st Century?

Surviving Marriage in the 21st Century is a book series. The first book, *Surviving Marriage in the 21st Century - 13 Easy Tips to Help You Get to 20 Years and Beyond*, went to #1 in the Marriage Category on Amazon. It's what the Triplett's like to call the "playbook." It outlines the steps on how to get to a healthier marriage. The second book, *Surviving Marriage in the 21st Century - Getting Back to the Swoon of the Honeymoon - 25 Ways in 25 Days*, is a workbook of tips and interactive exercises.

"Rufus & Jenny are like my own children, smart and talented and real. May God Bless them."
